Read the following passage carefully, then answer the questions based on it.
Book XII, 11928-952.

(The combat between Turnus and Aeneas is nearing its end.)

928 Consurgunt gemitu Rutuli, totusque remugit
929 mons circum, et vocem late nemora alta remittunt
930 Ille humilis supplexque oculos, dextramque precantem
931 protendens, "Equidem merui nec deprecor," inquit:
932 "utere sorte tua. Miseri te si qua parentis
933 tangere cura potest., oro (fuit et tibi talis
934 Anchises genitor), Duani miserere senectae
935 et me seu corpus spoliatum lumine mavis
936 redde meis. Vicisti, et victum tendere palmas
937 Ausonii videre; tua est Lavinia coniunx:
938 ulterius ne tende odiis." Stetit acer in armis
939 Aeneas, volvens oculos, dextramque repressit;
940 et iam iamque magis cunctantem flectere sermo
941 coeperat, infelix umero cum apparuit alto
942 balteus et notis fulserunt cingula bullis
943 Pallantis pueri, victum quem vulnere Turnus
944 straverat atque umeris inimicum insigne gerebat.
945 Ille, oculis postquam saevi monumenta doloris
946 exuviasque hausit, furiis accensus et ira
947 terribilis, "Tunc hinc spoliis indute meorum
948 eripiare mihi? Pallas te hoc vulnere, Pallas
949 immolat et poenam scelerato ex sanguine sumit"
950 hoc dicens ferrum adverso sub pectore condit
951 fervidus. Ast illi solvuntur frigore membra
952 vitaque cum gemitu fugit indignata sub umbras.

41. Protendens in l. 931 is an example of A. Zeugma B. hendiadys C. tmesis
D. hiatus
42. Daunus is the father of A. Rutulus B. Pallas C. Lavinia D. Turnus
