CREED

We, the members of the Junior Classical League, covenant to
hand on the torch of classical civilization in the modern
world. We believe an acquaintance with the civilization of
Greece and Rome will help us understand and appraise the
world of today, which is indebted to ancient civilization
in its government and laws, literature, language, and arts.

We affirm the JCL experience develops responsibility,
fosters brotherhood, promotes enthusiasm, encourages
competition, inspires dedication, and enriches our total
growth.

SONG

Seeking the best, the highest our goal,
working for greatness through glories of old,
searching the realms of the golden past,
we follow the classics' truths that last.
In knowledge, truth, and fellowship
we're growing everyday;
the friendly hand of JCL aids in every way.
In Rome's proud steps we're marching on
with every true colleague,
and forever we'll hold
to the purple and gold
of the Junior Classical League.
