2023 FLORIDA JUNIOR CLASSICAL LEAGUE STATE FORUM

REGISTRATION INFORMATION

I. Number of students per delegation:

- Each school may bring up to 25 students who are members of the Florida Junior Classical League (“FJCL”) and the National Junior Classical League (“NJCL”). A state officer does **not** count as one of a school’s 25 students if the officer does not compete in a contest.
- Schools that offer grades 6 through 12 **and** register to compete in Junior (6th -8th grade) and Senior Divisions (8th/9th-12th grade) may bring 25 students in each division.
- A school that has reached the limit of 25 competitive delegates may bring up to 10 additional delegates. These delegates will NOT compete for Academic, Creative, Certamen, or Overall points. These delegates will be allowed to
 - take tests, which will be scored, but will not be awarded points or counted for placement
 - participate in all Ludi contests
 - participate in all Olympic contests
- These students must be identified ahead of time; you may not register 35 students and then choose your 25 competitive delegates at a later date.
- Changes may be made to your competitive and additional delegates until **March 21**. After March 21, no changes will be allowed except those required due to an unforeseen medical or family emergency.
- You may not register additional delegates unless you have reached the full complement of 25 competitive delegates.
- Sponsors will be made aware of the scores earned by their additional delegates, but these scores will not be announced at the Awards Assembly.
- The additional delegates must be registered separately; the registration form for the additional delegates is in document 3 of the State Packet.
- In order to ensure that there is no conflation of results between the competitive and additional delegates, a separate database will be used for scoring the additional delegates’ tests.

II. Registration fees:

- Registration fees are non-refundable and may be paid with a school check, a teacher’s personal check, a cashier’s check, or a money order; checks are to be made payable to the **FJCL** and must include the following on the memo line “Florida JCL Latin State Forum”. A delegation’s entire registration fee must be paid with one check or money order. **No** individual checks from students or parents will be accepted.
- All students must be registered with the school’s Latin club, and listed on both the school’s FJCL membership roster and the school’s NJCL membership roster. Students who are registered for Forum but who are not on the school’s FJCL or NJCL membership lists will be charged a \$5 penalty per student in addition to NJCL and FJCL dues. NJCL membership dues will need to be sent to NJCL (<http://www.njcl.org>). Late fees and FJCL dues will need to be paid to the Registrar before the registration deadline.

III. Chaperones:

- FHSAA regulations require that every school bring one adult for every ten students registered. Example: a school that registers 15 students must register two adults; a school that registers 25 students must register three adults.
- All chaperones must have passed a school administered background check. Contact the Registrar with any questions.
- Include your chaperones’ names on the registration forms. If the chaperones’ names are not included on the school’s registration packet, the school will not be registered. If your school is sharing a

chaperone with another school, please indicate this on your registration form or in an email to the Registrar; include the other school's name **and** indicate which school is paying the chaperones' fee.

- Because teachers will be occupied with their assigned duties during Forum, teachers are strongly encouraged to bring an additional chaperone. All chaperones will be assigned Forum duties.
- All adults attending for longer than 1 day need to be registered with the school they are with and need to pay the chaperone fee. Nametags will be checked at all FJCL functions during state in order to ensure the safety of all students.

IV. Delegation Membership:

- All students must be members of FJCL and NJCL. Foreign exchange students who are members of the school's Latin club, FJCL, and NJCL may participate at Forum as one of the school's 25-member delegation.
- Please see document 4 on fjcl.org regarding the Academics rules for additional information about eligibility and level of Latin.
- A member-at-large must be chaperoned by his/her own parent or may come under the authority of and be chaperoned by another delegation but is not counted as one of that school's delegation. However, all FJCL and NJCL membership dues for the member-at-large must have been paid. Members-at-large include home school students and those with other special circumstances.

V. Membership list:

- A copy of the school's up-to-date NJCL membership list must be emailed to the registrar.

INFORMATION FOR DELEGATES

I. Voting Delegates

- Every delegation is allowed three voting delegates. On the Delegation Nametag List or the Additional Delegate Form, please select the names of your three voting delegates. Additional delegates are permitted to be voting delegates. Please consider schedule conflicts when assigning voting delegates; delegates must be on time, or they will not be allowed into the “Meet the Candidates” meeting, the “Open Forum,” the “FJCL Business Meeting,” **or** the “Voting Delegates” meeting. Roll will be taken. A school with both Junior and Senior Divisions gets 3 delegates for each division.
- If no voting delegates are indicated on the Delegation Nametag List, the school will have no voting delegates and will not be allowed to vote.

II. Behavior and Discipline

- The Latin students at State Forum have established a good reputation for themselves, and students are expected to conduct themselves in a manner that will continue to reflect well upon the FJCL. All sponsors and chaperones are responsible for assisting with the supervision of all students.
- Students, chaperones, and sponsors will follow the rules and guidelines of the FHSAA. These rules and penalties are listed on the Florida Junior Classical League Discipline Form; every student must turn in an FJCL Discipline Form that has been signed by the student and his/her parent or guardian before the student will be registered for State Forum.
- If State Forum rules are broken, a Forum disciplinary board will be formed to deal with the discipline problem. Sponsors should go over the rules and regulations before they arrive at State Forum.
- Current Covid protocols will reflect the CDC rules at the time of the Forum.

III. Dress Code

- Nametags must be worn around the neck at ALL times (except when in the pool, showering or sleeping!).
- All students are to dress in good taste **at all times**. Please follow your school’s dress code. Students must wear shoes and sandals at all times. Swimwear is restricted to the pool area.

IV. Curfew

- While students are in their hotel rooms, they should not play TVs, videos, music, etc. at a volume loud enough to be heard in the hallways. Anything that causes a disturbance at any time will be confiscated and not returned until the end of State Forum.
- No fellowship or chapter meetings are allowed after curfew, but schools may opt for an earlier fellowship and/or curfew.
- Students should not telephone each other after curfew.
