 a. quae b. quam c. cui d. quod
40. _____ ire mecum vult?
 a. Qui b. Quid c. Quis d. Quae

**IV. Questions 41-50 are based on the following passage from
 Caesar's De Bello Gallico (V,12).**

Britanniae pars interior ab eis incolitur, quos natos in insula ipsa dicunt; maritima pars ab eis, qui praedae ac belli inferendi causa ex Belgio transierunt (qui omnes fere eis nominibus civitatum appellantur, quibus orti ex civitatibus eo pervenerunt), et, bello illato, ibi permanerunt atque agros colere coeperunt. Hominum est infinita multitudo, creberrimaque aedificia fere Gallicis consimilia, pecorum magnus numerus. Utuntur aut aere aut nummo aureo aut taleis ferreis ad certum pondus examinatis pro nummo.

Nascitur ibi plumbum album in mediterraneis regionibus, in maritimis ferrum, sed eius exigua est copia; aere utuntur importato. Materia cuiusque generis, ut in Gallia, est praeter fagum atque abietem. Loporem et gallinam et anserem gustare fas non putant; haec tamen alunt animi voluptatisque causa. Loca sunt temperatoria quam in Gallia remissioribus frigoribus.
